

HEADLIGHT RESTORATION

SOLID SHEET

Hazy headlights are dangerous. Aged, cloudy headlights make it difficult not only to see in low-visibility situations (dawn & dusk, rain, fog, nighttime, etc.), but also to be seen by other drivers. True Brand® HEADLIGHT RESTORATION renews aged, hazy headlights to like-new clarity and increases visibility by up to 50%! Our patent-pending formula provides for superior chemical, water, heat, and abrasion resistance and uses the most advanced ultraviolet drying agents to leave the clearest, hardest lens coating available.

- Lifetime Warranty.
- One-Step Sanding Preparation.
- Easy Aerosol Application.
- Increases Vehicle Safety.
- Increases Visibility by Up To 50%!
