

TRUE VIEW GLASS WATER REPELLENT APPLICATION SHEET

Truth - Application / Directions

True Brand® TRUEVIEW™ GLASS WATER REPELLENT is *engineered with TrueRepel Technology to create a super-slick invisible shield on glass surfaces that repels rain, sleet, and snow on contact* and greatly improves wet weather visibility for a safer, clearer, and cleaner driving experience. This treatment also aids in easy removal of ice, frost, salt, dirt, mud, and bugs.

Directions:

1. Do not apply in direct sunlight or below 40°F (4.4°C).
2. Clean and thoroughly dry surfaces before applying.
3. Apply TrueView to a small, folded cloth or paper towel.
4. Wipe onto glass using a firm, overlapping circular motion.
5. Allow to dry until a slight haze appears.
6. Remove haze with a clean dry cloth or paper towel (if haze is stubborn, apply few drops of water to the towel or cloth).
