GLASS WATER REPELLENT

SOLID SHEET

True Brand® TRUEVIEW™ GLASS WATER REPELLENT is *engineered with TrueRepel Technology to create a super-slick invisible shield on glass surfaces that repels rain, sleet, and snow on contact* and greatly improves wet weather visibility for a safer, clearer, and cleaner driving experience. This treatment also aids in easy removal of ice, frost, salt, dirt, mud, and bugs.

- Greatly Enhances Visibility!
- Repels Rain, Sleet, and Snow.
- Helps Repel Ice, Frost, and Dirt.
- Fast and Easy Application.

Truth - Application / Directions

- Do not apply in direct sunlight or below 40°F (4.4°C).
- Clean and thoroughly dry surfaces before applying.
- Apply TrueView to a small, folded cloth or paper towel.
- Wipe onto glass using a firm, overlapping circular motion.
- Allow to dry until a slight haze appears.
- Remove haze with a clean dry cloth or paper towel (if haze is stubborn, apply few drops of water to the towel or cloth).

For best results use every 6 months or as needed.
